## FROM THE EAGLE'S EYES PAINTINGS AND MUSIC BY SHARON COOK | POEMS BY LIEN CHAO

Live-streaming, virtual presentation with Q & A

Welcome and Opening Remarks:

Mr. Justin Poy, Honourary Patron, Asian Heritage Month-CFACI (tbc)

Landscape paintings in classical Chinese Brush Painting style; bilingual poetry in English and Chinese; original music for piano composed and performed with digital interpretation.

Created by two inter-art artists, Sharon Cook and Lien Chao; digital interpretation by Patrick Haynes.

This new multi-media art project presents a wider inter-disciplinary exploration of traditional, classical art forms, including Chinese brush painting, bilingual poetry, original music for piano, and landscape photography. The intermingling process of the art forms has produced a series of contemporary, experimental, artistic fusions.

All fusions resulted from inter-art blending, leading the artists and hopefully, the audience, to discover new metaphysical spaces, while boundaries of traditional art forms have been crossed. Philosophical and conceptual exploration coincides with the artistic exploration and hence, the fusions.

Please join us on Sunday, June 26, at 2:00pm for the visual, audio, poetic, and digital interactive production, which will be followed by Q & A.

SUNDAY MAY 26, 2 PM TO 3:15 PM BY ZOOM
